INMATE REQUEST: Dear Mr.

I have a problem with your staff at the Mail Room keep playing games with my mail. Outgoing and incoming mails. I have mail going to the Department of Justice which need no stamps but the mail room send back to me. This is not the first time they play games with my mail. Just two days ago, the mail room open a legal mail without my present. Mail coming from Gov office in Concord, and private I have two mails (2) going to the court in action against you, (2x2) to the AG office. By court Rule, both mail must be deliver at the same time. My complaint by the State to the court.

(If you need more space, use plain paper)

I'm calling your staff out. Be advise.

REMARKS: We are not playing games with your mail, I was not aware that the Dept. of Justice was part of the Attorney Generals office. Now that I know I will try my best to make sure this does not happen again. I'm not sure why or who opened your legal mail but again I will try my best to see that it does not happen again. I've attached a few stamps to replace the one's you had to use from our error.
